**Library**
- **Fri., Oct. 14**  
**Book Orders**  
**Due**
- **Sun., Oct 23**  
**Trunk or Treat**

Hello Parents,

Thanks to all of you who were able to join us this past Sunday. The students did a wonderful job singing in church! Also, a huge thank you to all of you for your warm wishes on my installation, pantry donations, and the wonderful welcome you have given me over the past few months. It has meant so much to me and I truly appreciate it!

**Math:** The students' second math test is coming up tomorrow, Friday, September 30th.

**3rd-4th Science:** We have been talking about natural resources in science lately along with the importance of preserving these resources. We have had the chance to look at many different rocks and minerals and explore their different characteristics. We have also been incorporating different online activities into this through a "Soil Safari" ([http://school.discoveryeducation.com/schooladventures/soil/soil\\_safari.html](http://school.discoveryeducation.com/schooladventures/soil/soil_safari.html)) and activities to help us learn about energy conservation and renewable energy (<http://www1.eere.energy.gov/kids/>.)

**Book Fair:** A huge thank you to all of you who helped make this year's book fair a success! The students in the school did a wonderful job collecting change through our "One For Books" program. 3rd-5th grade was proud to be the class to raise the most amount of money, and we enjoyed brownie sundaes on Wednesday. Thanks to Mrs. Shaw for all of her hard work with the book fair and for providing these treats!

**Memory:** October's memory schedule went home this week. You can also view this memory schedule online on our classroom wiki at <http://stpaullux.wikispaces.com>. You can also view some of our recent class pictures on this site as well.

Have a wonderful weekend!

In Christ,  
Miss Bernau
